The report has been delayed on account of the difficulty in obtaining reliable information, together with my lack of acquaintance with individual Indians.

Very respectfully,

United States Indian Service,

Port Simcoe, Wash. Yakima Agency,

Aug. 10th, 1891.

Hon. Commissioner of Indian Affairs,
Washington, D.C.

Sir:-

I have the honor to forward to you today, the Census of this Agency for the Fiscal year ending June 30th. 1891. As many of the Indians are absent from the Reservation at this season, in the mountains or fishing, it is somewhat difficult to obtain an accurate census but I feel assured these figures approach very closely the actual number ~~belonging to~~ this Reservation. *Estimated 1500 more off Reservation.*

Very Respectfully,

Peery Lynch
U.S. Indian Agency.

File

Yakima Indian Agency, Washington.

Fort Simcoe, Sept 5th, 1894.

Hon D.M. Browning,

Commissioner of Indian Affairs,

Washington, D.C.

Sir:

I have the honor to submit under separate cover, Census of this Agency for year 1894.

In compiling this Census I have taken considerable pains in trying to have it as near correct as it was possible to get it, and have taken considerable of the data from Colonel J.K. Rankin's, Roll of Allotments, made at this Agency. I have not succeeded in getting all, as some of the Indians had started to the mountains on there annual hunting, and berrying trips.

Respectfully,

U. S. Indian Agent.
